

CONTRACTING WITH CONFIDENCE

PROVEN EXPERTISE PROVEN RESULTS

Over \$900M Government Contracts Won and Managed for Small Businesses!

CORE CAPABILITIES

- Government Proposals
- Grants
- FAR / DFARS Compliance
- Contracts Negotiations and Compliance

Conethic Consulting provides superior support services for all levels of Government proposals and grants development. With over 30 years of experience within the Government industry, we bring specialized expertise in Government Acquisition and Contracts Management.

Conethic Consulting was founded with one question: **How can we help businesses win and manage Government contracts?** We provide excellent and affordable subject matter expertise and versatile specialized support to growing businesses, to facilitate growth and expansion into the Federal Government, State, and Local public sector markets. Our team of experienced Proposal Writers and Contract Managers provide cradle-to-grave Federal Government contracts support, taking the burden of proposal development, contract management, negotiations, and compliance, from the critical focus of business owners, while ensuring contractual risks are mitigated.

DIFFERENTIATORS
